Join This Week's Meeting

We look forward to seeing you at this week's meeting for a presentation from Paul Murphy from inMotion Technologies.

Announcements

Bulletin Sponsors: We are looking for new bulletin sponsors starting April 2024. The cost is \$50/month or \$135 for 3 months. Please contact Chris French for more information.

From the Vocational Service Committee: 2023 Citizen of the Year Award - It's time for all of us to begin considering potential nominees for our annual COY award. Since 1990 our Club has selected an outstanding Montgomery County resident as the Rotary Club of Blacksburg's Citizen of the Year. The Award was established to recognize businesspersons of varied careers and vocations for their ethical business behavior, and who exemplify the Four Way Test and Service Above Self in their business and personal lives.

Nominees must: 1) Be a Montgomery County resident ; and, 2) Not be a Rotarian.

Nomination forms can be obtained from any Vocational Service Committee member, and is on our website (<https://www.blacksburgrotary.org/>). **Nomination deadline is Dec 6th.** Feel free to contact a Committee member for additional information.

Today's Program

Inmotion has been providing industrial power electronics solutions and electromechanical solutions since 1960's. Building upon our solutions for various industrial markets, we have been increasingly focusing our effort on products for electric vehicles since the 1990's. Inmotion launched its first AC inverters for electric forklift trucks in 1996. This was a starting point for the conversion from DC to AC technology for the whole material handling market. We were uniquely placed to lead this conversion with our long experience in AC induction controls, as well as servo systems controls in other applications, including robotics and industrial appliances.

To date, we have supplied several million inverters to vehicle customers around the world. With our extensive experience in large scale production of both high and low voltage products for vehicles, spanning from golf carts and forklift trucks to city buses and construction equipment, Inmotion is the natural choice for OEMs looking for a long term supplier of power electronics.

This week's bulletin is sponsored by:

PLOTT & FRENCH
FINANCIAL ADVISORS

The Bulletin is published weekly by the Public Relations committee. For suggestions, comments, or to add an announcement to the bulletin, send your request to Chris French at chris.french@gmail.com or 347-306-4740 by Tuesday of the week you want the announcement to appear. **Please include "Rotary" in the subject of your email.**

The Four-Way Test

Of the things we think, say, or do...

Is it the Truth?

Is it Fair to all concerned?

Will it build Goodwill and Better Friendships?

Will it be Beneficial to all concerned?
