# Rotary Fellowships Month

## Rotary Fellowships Month - Make New Friends Around the World

June is designated as “Rotary Fellowships Month” by the RI Board to recognize the importance of international fellowship and good will among Rotarians with similar recreational interests, vocations, health, and hobbies, to promote increased participation in fellowships and increase understanding of this program. The RI Board encourages fellowships groups to highlight activities through projects, activities, and events in June but all year, as well. Rotary Fellowships informally began in 1928 when a group of Rotarians with an interest in Esperanto joined together. Today there are over 90 different fellowships, from amateur radio to yoga and everything in between. Surely there is one that covers your interests or hobbies. Each week this month, the bulletin will highlight one or two of the fellowships. Some are more active than others.

**“Fellowship is wonderful; it illuminates life’s pathway, spreads good cheer, and is worth high price.”**

-Rotary Founder Paul Harris

The first fellowship to highlight is Beer! Called BREW for “Beer Rotarians Enjoy Worldwide” Fellowship is one of the newest officially recognized Rotary fellowships. The goal of BREW is to create the largest fellowship in Rotary and an international community of Rotarians who share a love of beer. They also strive to support efforts and projects to bring clean water to those in thirst since water is the primary ingredient in beer.

WHAT'S BREWING is the quarterly newsletter. It provides information on a variety of beers around the world and offers recipes and tips for Home Brewers, keeps members informed of Rotary Club Beer Fests around the globe and activities at the Rotary International Convention.

The Fellowship encourages and supports the formation of local BREW Chapters. There are two classes of membership: annual membership which is \$20 per year and a lifetime membership for \$100 (one-time payment). Here is the link to the BREW page: [http://www.rotarybrew.org/about\\_us.php](http://www.rotarybrew.org/about_us.php)
