THE FOUNDATION OF THE ROTARY CLUB OF BLACKSBURG

Chartered in 1979 and with a current membership of 105, the Rotary Club of Blacksburg is the largest and one of the oldest Rotary clubs in the New River Valley. Over 32,500 clubs and 1.2 million business and professional leaders comprise the larger association, Rotary International, which was formed in 1905. With a motto of "Service Above Self", individual Rotary clubs select and support service projects based on local community and international needs.

Proceeds from the Rotary Club of Blacksburg's Eighth Annual Golf Tournament will benefit the **Blacksburg High School Stadium Fundraising Campaign.**

BLACKSBURG HIGH SCHOOL STADIUM FUNDRAISING CAMPAIGN

Last year, the Montgomery County School Board approved \$3.6 million for a new Bill Brown Stadium complex for Blacksburg High School, to be completed by September 2008.

The **Blacksburg High School Booster Club**, a group of parent, faculty, and community volunteers, initiated a campaign to raise an additional \$1.2 million through local donations for two additional stadium enhancements:

- **Field House:** This 5,000 square foot facility will include the home and visitor team locker rooms, officials and first aid areas, and needed storage space.
- **Artificial Field Turf:** At a future date, the grass field will be replaced with artificial turf. As well as providing a safer, more durable playing surface for our student athletes, artificial turf will allow for significant use by all sports teams and lower maintenance costs.
