Blacksburg Rotary Club Recognizes Outstanding Career and Technical Education Students

The Rotary Club of Blacksburg presented the 2011 *Outstanding Career and Technical Education Student Awards* to four Montgomery County high school seniors. These annual awards include a \$750 scholarship towards the student's continued education at a Community College or a Vocational School. The selection criteria for the awards is based equally on the student's academic accomplishments in the Career & Technical Education courses, plus their service to the community. Technical Education teachers nominate students and the Rotary Club selects the recipients based on superior performance, initiative and dependability in their chosen fields- plus their activities that exemplify two of Rotary's ideals- high ethical standards and service to others.

The honorees for 2011 are:

- Briana Keen, Auburn High School, Business and Information Technology.
- Victoria Crespo, Blacksburg High School, Cosmetology
- Courtney Dowdy, Christiansburg High School, Business.
- Kristi Shelton, Eastern Montgomery High School, Marketing
